VUWAFC Players of the Week

The **Wanderers** player of the week is Zac Mangos. Zac had a great debut for the team, and especially stood out in the second half by offering a good attacking threat down the right while also being tidy at the back and coming up with some excellent last-ditch blocks and challenges.

The **Universe** player of the week this game was Flynn Eathorne, our 6"8 keeper who clutched up and pulled off several key one on one saves.

The **Beavers** went down 1-3 to Tawa ACU. Man of the match was our new keeper signing Andy Proctor who had an absolute blinder and probably kept us in the game during the first half so that we could compete during a goal-less second half.
