# VUWAFC Team of the Week - Women's 3rds

Going into the second half 3-all against BNU Salty Pidgins, our VUWAFC Women's 3rds turned up the heat in the second half.

After a good talk amongst the team, we looked much better in the second half, retaining the ball and keeping BNU from creating chances. Abi Smith, who had a number of great touches in the first half, put the thirds back in front in the 50th.

It wasn't until the 75th minute that the next goal came, Amelia sealing her second hattrick in as many games. Sophie Hart and Maire Boyce closed the scoring off in the next five minutes before a quiet final ten minutes. Final score 7-3.

This weekend the thirds play top of the league Miramar Swanz knowing that a win will see the thirds promoted at the mid-season point undefeated, possibly as champions. Anything less than a win is likely to mean third place.
